A MESSAGE FROM THE CEO

It is my great pleasure to welcome you to New Era Fashion BD and to introduce our company to our valued international buyers and business partners. Since our establishment in 2012, New Era Fashion BD has been on a continuous journey of growth, learning, and development within the Bangladesh apparel industry. What began with a simple vision – to provide reliable garment sourcing and quality products – has gradually grown into a professional and buyer-focused sourcing organization.

Over the years, we have had the privilege of witnessing the remarkable transformation of Bangladesh into one of the world's leading apparel sourcing and manufacturing destinations. We are proud to play our small but meaningful part in this journey and to contribute to the growth of Bangladesh's garment sector. At New Era Fashion BD, we believe that successful business is built on trust, integrity, transparency, quality, and commitment. We take every buyer's requirement seriously and continuously work to ensure that our products meet the agreed specifications, quality standards, pricing expectations, and delivery schedules.

OUR PHILOSOPHY IS SIMPLE:

Keep Our Word, Deliver Quality, Respect Our Customers,
Build Long-Term Relationships.

We understand that behind every order there is a business, a brand, and a customer's expectation. That is why our team remains closely involved throughout the entire process—from product development and sourcing to production, quality control, and shipment.

The trust of our customers is our greatest achievement. We are sincerely grateful to all our existing clients and business partners who have supported us throughout our journey. Their continued confidence motivates us to improve our services and reach higher standards every day.

As we look toward the future, our vision remains clear to become a **trusted** and **dependable** apparel sourcing partner for buyers around the world, while maintaining the values that have guided us since the beginning.

On behalf of the entire New Era Fashion BD team, I warmly invite you to connect with us and explore opportunities for building a successful and long-lasting business relationship.

“ We look forward to welcoming you to Bangladesh and to our office.

” Thank you for your trust, your interest, and for being a part of our journey.

Warm Regards,

Md. Abdul Huda

STATUS REPORTING

For a transparent process, status reports based on the multi-state inspections are transmitted to you by fax or email. Also, the production progress is analyzed in relation to the delivery terms and suitable course of actions taken to ensure goods are delivered in time. The consignment is allowed for shipment if only it is up to the buyers required standard. It is easy to see that all these sourcing and management services will not only save you time, frustration and fear of the unknown, but **it will save you money!**
